

ADEX MINING TO EXHIBIT AT GLOBAL CHINESE FINANCIAL FORUM CONFERENCE

Toronto, ON, November 30, 2009 -- Adex Mining Inc. ("Adex" or the "Company") (TSX-V: ADE) is pleased to announce that it is scheduled to exhibit and speak at the upcoming Global Chinese Financial Forum (GCFF) Shanghai Conference 2009, which is being held on December 2-3, 2009 at the Shanghai Pudong Grand Hyatt Hotel in China.

William B. Burton, Director and Technical Advisor of Adex, will be on hand to update attendees on the Company's Mount Pleasant Mine property in southwestern New Brunswick, Canada. Adex is planning to produce tin, indium, tungsten and molybdenum from mineral resources outlined on the property.

The GCFF Shanghai Conference 2009 will bring together more than 80 exhibiting companies as well as high level representatives from the Chinese mining and resource industries as well as the international financial sector. Adex will have the opportunity to meet with international leaders from public and private companies, financial institutions and government agencies, giving the company access to valuable networking opportunities in a country where the metals hosted at Mount Pleasant are in great demand.

Full conference details are available on the [Global Chinese Financial Forum](#) website.

FORWARD-LOOKING STATEMENTS

Certain statements in this press release may constitute "forward-looking" statements which involve known and unknown risks, uncertainties and other factors which may cause actual results, performance or achievements of Adex, its subsidiary or the industry in which they operate to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. When used in this press release, the words "estimate", "believe", "anticipate", "intend", "expect", "plan", "may", "should", "will", the negative thereof or other variations thereon or comparable terminology are intended to identify forward-looking statements. Such statements reflect the current expectations of the management of Adex with respect to future events based on currently available information and are subject to risks and uncertainties that could cause actual results, performance or achievements to differ materially from those expressed or implied by those forward-looking statements. These risks and uncertainties are detailed from time to time, including, without limitation, under the heading "Risk Factors", in reports filed by Adex with the Alberta, British Columbia and Ontario Securities Commissions which are available at www.sedar.com and to which readers of this press release are referred for additional information concerning Adex, its prospects and the risks and uncertainties relating to Adex and its prospects. New risk factors may arise from time to time and it is not possible for management to predict all of those risk factors or the extent to which any factor or combination of factors may cause actual results, performance and achievements of Adex to be materially different from those contained in forward-looking statements. Although the forward-looking statements contained in this press release are based upon what management believes to be reasonable assumptions, Adex cannot assure investors that actual results will be consistent with these forward-looking statements. Given these risks and uncertainties, investors should not place undue reliance on forward-looking statements as a prediction of actual results.

The forward-looking information contained in this press release is current only as of the date of the press release. Adex does not undertake or assume any obligation to release publicly any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events, except as required by law.
